Gentlemen:

1. This document constitutes Amendment No. 3 to Contract No. PF-400 between Granger Associates, Palo Alto, California, and the United States Government and amends said contract as hereinafter set forth.

2. Pursuant to the clause hereof entitled "Changes", the Contractor shall provide additional assistance during flight testing of the unit called for under Item 1 through the period 15 November 1958 to 30 March 1959. As a result of such additional work, Item 1 of PART II Delivery of the Schedule is revised to read as follows:

"Item 1 - Contractor shall deliver the system called for under Item 1 on or before 15 October 1958, the engineering assistance during flight testing shall be provided through 30 March 1959."

3. Pursuant to the Notice of Termination dated 25 November 1958, the Government advised the Contractor of the termination of Item 2 for the convenience of the Government and as a result of said termination the settlement has been limited to the adjustment of fee. Accordingly, upon execution of this Amendment, the Government agrees to pay to the Contractor upon presentation of properly certified invoices or vouchers, the sum of \$60.00. Said sum, together with all other sums heretofore or hereafter to be paid on account of fee, constitutes payment in full and complete settlement of the amount due the Contractor on account of its fee under the contract.

The Contractor's allowable costs under the contract will continue to be reimbursed on Standard Form cost vouchers in accordance with the applicable provisions of the contract and of Section VIII of the Armed Services Procurement Regulation.

Notwithstanding any other provision of this amendment the following rights and liabilities of the parties under the contract are hereby reserved with respect to Item 2.
